PROFESSIONAL EXPERIENCE

Senior Art Director - Freelance
at Razorfish, Evoke Health, Firsthand, Evolvr, Digitas Healthbrands (Publicis), Philadelphia / NYC
August 2015 – Present

Over the last 6 years, I've been working with several Advertising Agencies specializing in Pharmaceutical Design & Branding as a freelance Senior Art Director.

- UI/UX Design
- Illustration/Storyboarding
- Motion Graphics
- Logo/Graphic Design
- Prototyping/Development
- Pitchwork

Motion Designer & Animator/Designer - Freelance
at Rhythmsy Labs, Buenos Aires, Argentina
November 2014 – November 2015

While living in Buenos Aires, Argentina, I worked remotely on motion & web projects for Rhythmsy Labs, a start-up based in Ohio.

- Motion Graphics
- Storyboarding
- Web/Interactive Design
- Front-end Web Development

Senior UI/Graphic/Motion Designer
at Orderbird: iPad Cash Register System, Berlin, Germany
August 2013 – August 2014

I spent one year working for Orderbird, a start-up in Berlin, promoting, developing and designing key visuals for their brand identity.

- UI/UX Design
- Front-end Web Development
- Motion Graphics
- Print Design

Junior Art Director/Motion Designer, Interactive Department
at Saint Elmo's Multichannel Creativity, Munich & Berlin, Germany
September 2010 – January 2013

What started out as a Design Trainee Program in Munich for 1 year, evolved into a Junior Art Director & Motion Designer position at St. Elmo's Berlin office.

- UI/UX Design
- Logo/Graphic Design
- Front-end Web Development
- Motion Graphics
- Campaign Design
- Pitchwork

Graphics Animator/Motion Designer
at RIT Sportszone LIVE,
Rochester, NY
November 2009 – May 2010

While studying at RIT, I worked as a Motion Designer & Graphics animator for RIT Sportzone.

- Motion Graphics
- Illustration/Storyboarding
- LIVE Broadcast Animation
- Video Editing

Video Production Assistant
at RIT Online Learning,
Rochester, NY
January 2008 – Feb 2010

Also while studying at RIT, I worked as a Video Production Assistant for the Online Learning program.

- Video Editing/Compression
- Filming

Design & Development Intern
at I-SITE Marketing Design Development,
Philadelphia, PA
Summer 2008

My first design related job was a summer internship at I-SITE, a digital marketing agency in Old City District of Philadelphia.

- Front-end Web Development
- Flash Animation/Coding
